

Manna Fund, Inc would like to invite you to our **Annual “MannaFest: Memphis Blues & Cues” Fundraiser!** We are going to bring “The best of Memphis to the heart of Atlanta” on **Friday, November 5th, 2021**, from 6 pm to 9pm at **Pontoon Brewing Company** in Sandy Springs.

We are pulling out all the stops this year and intend to transform the venue onto a night in Memphis, complete with a BBQ contest, live Blues band, grand prizes, and an Elvis in order to raise much needed support for **Manna Fund**. Manna Fund is a nationwide, yet locally-based, 501c(3) non-profit organization that is dedicated to “providing hope and financial assistance to individuals who need treatment for eating disorders”. We are anticipating another sell-out crowd and we look forward to great enthusiasm from our community.

Enclosed in this packet are details about our event. But first, more about Manna Fund:

The *Mission Statement of Manna Fund*: “To address the epidemic of eating disorders by providing prevention programs, education, research, and financial assistance for treatment to all qualified individuals through well-administered programs.”

Since 2006, Manna has connected over 30 people to residential treatment and almost 100 individuals in local outpatient treatment that they otherwise could not afford. Manna has provided over \$800,000 worth of treatment costs for these individuals. The national scholarship funding program is delivered through the payment of inpatient costs directly to the inpatient facilities and/or other appropriate funding sources for scholarship recipients, and the local IOP funding is through direct care for those who couldn't afford it otherwise.

Please consider sponsorship to provide life-saving care! Signups are at www.mannafund.org.

Thanks!

All proceeds will benefit purchasing The Manna House!

Based on the overwhelming need for a recovery residence for clients in our PHP and IOP programs, Manna is seeking to purchase a house in the greater Atlanta area. We are geared up to become a member of GARR once we have achieved this residence. This house will allow adults 18 and up to live in a safe environment so that they can achieve full recovery.
